To: MyAcct.net Customer Support
Subject: Remove Block of ChaseAgency.com

Hello. My name is **XXXX** and I have been a customer of your services since **XXXX**. I understand that you employ filters and/or blacklists to protect customers like myself from unsolicited email; however, this has made it impossible for me to send and/or receive emails that I need to send and receive. I value these communications and would like to receive them using my current email address which is **XXX@MyAcct.net**.

Please, allow me to receive mail from @chaseagency.com.

Please, allow me to send email to @chaseagency.com even if my email subject or body contains any reference to ChaseAgency.com

Please contact me when this problem has been resolved.

Sincerely,
