The referenced licensee is actively licensed by the Wyoming Insurance Department for the license type indicated.

Wyoming is an appointment state, i.e., all agents or agencies not only must be licensed by the State of Wyoming, but must be appointed with the insurance company for which they transact business prior to producing business for the insurer.

If an agent is working for an agency, the agent must be added to the agency and the insurer must appoint only the agency.

Licensee must notify the Insurance Department in writing of an address change or name change IMMEDIATELY.

All licensees (unless exempt as shown below) are required to complete annual continuing education requirements.
